

Hampton TV network offers faith programs

October 18, 2007

GideonTV Network is broadcasting Christian messages worldwide via the internet on user's personal computers, mobile devices and internet enabled television sets. Based in Hampton, GideonTV is committed to spreading the gospel through the new media-incorporating web 2.0 structural design. GideonTV has nonstop programming 24 hours a day, everyday. Viewers can submit prayer requests, chat with other members, and sign up to receive updates via their mobile phones and upload videos.

GideonTV was launched in July 2007. For more information visit www.GideonTV.com.
